First week

First week

/ Desk research: What do dashboards look like and what information do they contain?

/ Interviews: Interviews with our target group. Students from different departments.

/ Brainstorming: What do students need?

Download session: Each group has 10 minutes to tell the others what they have found out.

Modalities and Deliverables

Modalities

/ Groups

We work in five groups of 3 to 4 students.

Modalities / Deliverables

Documentation; format: PDF

Video / Screencast; add the IAD intro and closing credits to your videos

Images (Screenshots & Usage Scenarios); approx. 10 representative images of the project

Text (project title, short description, project description)

Click-Dummy

It is specified on the wiki. Please observe the IAD documentation guidelines.

All deliverables have to be uploaded to the filer until Monday 13.06.2022 at 9 am.

Modalities

/ Attendance

In the contact hours a minimum attendance of 80% is required to pass the module.

Contact hours: classes, kick-off, input session, mentoring, presentation

Merci
